

“A Bike Ride for the Rest of Us!”

Powered by White Pelican Inc.

Route Description: It's a Fat Tire Festivus miracle! Grab your fattest tires and get ready to roll across streets and off-road sections of beautiful Oregon, Illinois. The FTF route covers roughly 8.5 miles of city streets, parks, views of the Rock River, and the historic Riverview Cemetery. Register for the Competitive Race category and compete for a prize for the top 3 men, women, and youth (under 18) or join the Fun Ride and enjoy the ride with fellow riders. All off-road bikes are welcome around the Festivus Pole with games and a post-ride party to follow.
