

CMAAA

Coliseum Museum of Art. Antiques and Americana Foundation

CMAAAA

Coliseum Museum of Art. Antiques and Americana Foundation

What is CMAAAA?

CMAAAA is an acronym for the "COLISEUM MUSEUM OF ART, ANTIQUES and AMERICANA FOUNDATION", an Illinois not-for-profit corporation and Federally tax exempt 501 c3 public charity.

CMAAAA's *vision*

- To create a facility to host exhibitions from artists representing all genres of the art world; a museum retail store; display loaned and gifted collections from local and outside sources; accommodate meetings, guest speakers, social events; establish a recording studio for educational and business use; the potential is endless.

Who was involved with the formation of CMAAA?

THE LAWRENCE
FOUNDATION

A decorative graphic on the left side of the slide. It features a dark blue vertical bar on the far left. A black arrow points to the right from the top of this bar. Below the arrow, several thin, curved lines in shades of blue and grey sweep upwards and to the right, creating a sense of movement and design.

What will CMAAA do?

- ▶ Our primary mission is focused on the organizing, operating, acquiring and displaying items of art, antiques, Americana and history. This means we will have both permanent and rotating exhibits, with programs and educational events tied to the displays.
- ▶ An additional role will be to provide a recording studio for community use.

- The potential of CMAAA is unlimited as to what can be offered to our local citizens, surrounding community and incoming tourists.
- A museum of long and short term loaned exhibits from local and outside collections; exhibitions and sales for artists representing all facets of art – painting, ceramics, glass, sculpture, etc.
- A place to showcase our local museum attractions, not-for-profit agencies, education and recreational facilities.
- A venue for community and business meetings, guest speakers, recitals, receptions, social events
- The establishment of a recording studio for educational and business use; the potential is endless.
