Rural Strategies

ILLINOIS EXTENSION

In addition to planning for reliable, high-speed, affordable broadband to all residents and entities in Ogle County, leaders would like to especially ensure infrastructure for our agricultural sector and rural residents.

If you already took last year's survey – complete the shorter questionnaire

To take our survey for the first time – PARTICIPATE IN GETTING BETTER INTERNET!

Use this QR Code, or head to this website: <https://go.illinois.edu/connectogle>

Thank you for your time!
