	<b><i>balance at beginning of FY.</i></b>			<b>\$27,557</b>		<b>\$28,928</b>

FY21 deficit was due to 1/2 payment of FY20

\*Note: bill which actually occurred on 5/7/21 (FY21). Then a full payment was ade on 11/25/20. As a result, the net deficit drew down the fund balance into negative balance. Auditors said this was ok for short time since prop. tax collections in June 2021 would restore a positive balance.
