## **14-24-130 Dumpster And Portable Storage Devices**

**PURPOSE:** The primary purpose of public streets is for use by vehicular and pedestrian traffic. Reasonable regulations of obstruction in public streets and sidewalks is necessary to protect the health, safety, and welfare of the public.

The following words, terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

**DUMPSTER:** A metal storage receptacle used to temporarily store debris or garbage, and which is then emptied of its contents or remove with its contents to a dumpsite.

**PORTABLE STORAGE DEVICE:** Any item placed in a street that is not a motor vehicle as defined by the Illinois Vehicle Code, or a temporary dumpster, including, but not limited to, containers commonly known as "portable storage devices or "PODS® Hazardous waste means a waste or combination of solid wastes which, because of its quantity, concentration, or physical, chemical, or infectious characteristics may cause or significantly contribute to an increase in mortality or an increase in serious, irreversible or incapacitating reversible illnesses; or pose a substantial present or potential hazard to human health or the environment when improperly treated, stored, transported, or disposed of or otherwise managed or which has been identified, by characteristics or listing, as hazardous pursuant to Federal laws and their implementing regulations and State of Illinois laws and their implementing regulations. Applicable Federal laws include, but are not limited to the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976 (P.L. 94-580); the Toxic Substances Control Act; the Atomic Energy Act of 1954, as amended (68 Stat. 921 ); and the Hazardous Materials Transportation Act. State laws include but are not limited to the Illinois Environmental Protection Act.

**TEMPORARY DUMPSTER:** Any dumpster used or intended as a disposal facility or construction, renovation, or demolitions projects, special events, seasonal use, or other purposes not permanent in nature.

- A. Prior to the issuance of any permit for any dumpster, temporary dumpster, or portable storage device, its location and usage shall be reviewed and approved by the Superintendent of Streets.
- B. A permit for a dumpster, temporary dumpster, or portable storage device shall be for an initial term of not more than 30 days. Provided the applicant is in compliance with all provisions of this article and all other applicable City regulations, a renewal permit may be approved and issued for no more than two additional 30-day periods upon application and payment of the permit renewal fee as established by the City Council. Not more than one renewal shall be issued by the City for any dumpster, temporary dumpster, or portable storage device placed upon any City Street. The dumpster, temporary dumpster, or portable storage device shall be removed prior to the expiration of the permit.

- C. The following requirements shall apply to any dumpster, temporary dumpster, or portable storage device placed upon public streets or pedestrian ways in the City. The permit shall be conspicuously placed in a location that permits it to be identified from a public street.
1. No dumpster, temporary dumpster, or portable storage device may be placed on roads in the City, within 40 feet of an intersection; or within any prohibited or restricted area.
  2. Sufficient reflective tape shall be placed upon all four sides of the dumpster, temporary dumpster, or portable storage device in such a manner as to make it visible at night.
  3. No dumpster, temporary dumpster, or portable storage device shall be placed nearer than 15 feet to any fire hydrant within the parkway or other area intended for fire-fighting equipment.
  4. The name, address and telephone number of the dumpster, temporary dumpster, or portable storage device owner/operator shall be conspicuously placed on at least two sides of the device.
  5. No dumpster, temporary dumpster, or portable storage device shall be placed on the parkway of any street extending a distance of more than 9 feet from the curb line or edge of the parkway.
  6. The location of any dumpster, temporary dumpster, or portable storage device upon any public street shall not interfere with any required clear sight distance across any intersection.
  7. The location of dumpster, temporary dumpster, or portable storage device upon any public street shall not obstruct any pedestrian way or the travel lane of any public street.
  8. No dumpster, temporary dumpster, or portable storage device shall be loaded in such a manner as to cause its contents to spill onto any street, sidewalk, or other area intended for pedestrian travel.
  9. No dumpster, temporary dumpster, or portable storage device shall contain any hazardous waste unless pursuant to a permit for such waste issued by the appropriate governmental entity.
  10. No materials contained in a dumpster, temporary dumpster, or portable storage device shall emit any noxious or offensive or otherwise create a hazard or risk to public health.
  11. No dumpster, temporary dumpster, or portable storage device shall be placed in such a manner as to interfere with the operation or maintenance of any public utility.
- D. The placement of any dumpster shall be in accordance with all requirements of the State of Illinois Motor Vehicle Code.
- E. If any damage or injury to the parkway, curb, sidewalk shall be caused or done by the use of occupancy of any street or road, the party to whom such permit shall have been issued shall be responsible and liable for the same and shall restore the parkway, curb and/or sidewalk to its original condition. If the permittee refuses to properly restore the parkway, curb and/or sidewalk to its original condition, the City may do so and collect the cost of the same from the permittee.
- F. The fee for a permit shall be as fixed by the council from time to time in the fee schedule.
