

City of Oregon  
Sustainability Ad Hoc Committee Meeting

The Sustainability Ad Hoc Committee met Monday May 13<sup>th</sup>, 2024, at 9 am.

**Present:** Tim Benedict, Russell Brunner, Melanie Cozzi, Darin DeHaan, Cheryl Hilton, Lauren Kleve, and Steve Rypkema.

**Present via Zoom:** Kurt Wilson.

Meeting called to order at 9:00.

No public comment.

Steve Rypkema moved to approve the March 11<sup>th</sup>, 2024, minutes, Seconded by Melanie Cozzi.

Motion carried. No Nays.

The committee worked on the framework of the Sustainability Plan. Discussion and recommendations were made on each of the key points of the plan. They discussed creating areas of public education and educational spotlight videos, identifying shared farm-to-table food resources with other communities for businesses, and composting food waste. the creation of a best practice document for the reduction of light pollution within the community, and stormwater management. They also discussed public engagement opportunities within the community. Informational booths will be set up at the River's Edge Farmer's Market as well as at the Oregon Park Districts Concert in the Park. A public open house will also be scheduled to obtain public input on the plan before it is approved by the City Council.

Meeting Adjourned at 11:00 am.

Submitted by City Clerk Cheryl Hilton
