Engineer's Report:

Engineer's Report

1. Facility Plan-Overflow - Will submit the report and should be advised within six months if the plan is accepted or denied.

2. Will advertise for sewer hook-ups for East Oregon at the next meeting.

Mayor's Report:

Mayor's Report

1. Read a complimentary letter from Allen Carter in regard to City Street Department employee Mike Bowers.

2. Advised he received a letter from Public Action Council requesting their solicitation hours be extended. The Council denied the request.

3. Advised that Chief of Police Tom Miller is in the process of purchasing a home in Oregon but will not take possession until June 1985. Miller is requesting to live at his wife's residence in Byron during the interim from February 15th until June. Attorney Smith advised that as long as he retains an Oregon address, there should be no problem. The Council then approved the request.

4. Advised he has received complaints on Wayne Sanner living in a camper shell parked in the back of his property at 605 South Third Street. This is in violation of our trailer ordinance, Chapter 5-10-1. The Clerk was instructed to notify Sanner that he has five days to vacate the camper.

5. Feels that since our license fee structure has not been adjusted since 1968, it should be reviewed and changed. His recommendations are:

Liquor License - Class A - \$900.00
Class B - \$600.00
Class C - \$900.00
Class E - \$400.00 or \$500.00
Bowling Alley - \$25.00 per lane.

The Council will review the fees and take action at a later date.

Since this street has never been completed and accepted by the City, the Clerk was instructed to notify the residents on that road that the City could no longer plow snow until the road is completed.

Chief Miller gave a year end police activity report.
