Engineer's Report:

Engineer's Report

1. Franklin Street paving complete - restoration is all that is left to do.

2. Miscellaneous Water-Sewer work progressing rapidly.

The Council discussed two letters received from citizens with complaints about the Franklin Street construction site. One from Debbie Taft, requesting the city pay for damages to her car and clothing from the oil which she walked in getting to a residence. The other from Eva Leddy, who complained that the contractors tore up her terrace.

Citizen Complaints Continued

The Council agreed that the city is not responsible for the Taft damage, as the streets were barricaded and should not have been driven on. On the Leddy complaint, the contractor will restore the terrace.

Chief Miller advised that the department has initiated an "Officer of the Month" program. Officer Whitsell is the first to receive the commendation because of his drug arrest recently.
