Roll Call: Ayes: Aurand, Medlar, Priller, Svoboda, Barnes. No nays.

Mayor Barnes proclaimed the week of February 14, 1993 as National Engineers Week.

Proclamation

Several residents from the area of Tenth Street and Adams Street were in attendance expressing their concern over the possible extension of Adams Street. Mayor Barnes advised them that as of right now, nothing is being done about the proposed extension. He advised that the City had the opportunity to purchase the property and felt it was to the City's advantage to do so in the event it could help alleviate the traffic problem at the school complex.

Citizen
Concerns

Linda Guzman asked the Council if they had heard anything more about the Collins Street property from the railroad. Mayor Barnes advised that he had heard recently from the railroad people wanting to know just where the property was and he was going to relate this to the railroad representatives.

Commissioner Svoboda advised that Willett, Hofmann & Associates would give the City a free cost estimate on what it would take to bring the Facility Plan up to date. The Council advised Svoboda to proceed with this.

Reports

Commissioner Aurand advised he would like to see the Council proceed with the Street Vendor Ordinance. He would also like to have something incorporated into the sign ordinance to control garage sale signs.

Commissioner Aurand advised he would like to see the City have a newsletter sent to the citizens with their water bills three or four times a year to keep the citizens aware of what the City is doing.

Mayor Barnes advised that the City had a court injunction to stop Larry Willson from continuing building on Worth Street.

Mayor Barnes advised he would like to start a Neighborhood Watch Program for Oregon. He will hold a town meeting in the future to establish such a program.

Commissioner Aurand moved to adjourn. Seconded by Gerald Medlar.

Adjournment

Roll Call: Ayes: Aurand, Medlar, Priller, Svoboda, Barnes. No nays.

Adjourn: 6:15 P.M.

James L. Barnes, Mayor
