The following letter was received from the Village of Progress in regard to a problem with their sprinkler system which they feel is due to the new well:

Village of Progress
Problem With
Sprinkler System

February 4, 1985

Mr. Jim Barnes, Mayor
City of Oregon
City Hall
115 North Third Street
Oregon, Illinois 61061

Dear Jim:

In speaking with a Mr. George Goff of Quad Cities Automative Sprinkler Company he was able to quote me a price of \$900.00 to \$1,100.00 for the installation of an Excess Pressure Pump for our sprinkler system. Mr. Goff stated that his company has installed such a system on three previous occasions.

I am certainly aware and appreciative of the Revenue Sharing Funds the City of Oregon has donated to the Village for the past several years and accordingly will understand if you and/or the City Council determine that we should pay for the repairs. In any event, I would appreciate hearing from you regarding the decision.

Thank you,

/s/ Bob
