Res. #545

Roll Call: Ayes: Aurand, Priller, Svoboda, Barnes. No nays.

Lary Harold, representing Autumn on Parade, asked permission from the Council to have the electrical connections on Jefferson Street be permanently installed on the terrace south of the Courthouse and north on the terrace by the Methodist Church. This would be underground with some pedestals. There would be four pedestals on the north side and three on the south side. The Council will review this plan and advise Harold.

Citizens
Requests

Representatives of the Oregon Bowl addressed the Council in regard to having post prom at their establishment. They would have all alcoholic beverages removed from the area and this would be a lock in. It would be from 1:00 A.M. to 4:00 A.M. The Council approved.

An informational hearing was held in regard to the east side well and water storage tank project. Several people were in attendance. Bernie Klingenberg, representative of Willett, Hofmann and Associates, explained the project. The main concern from those in attendance was whether the new well would affect their water supply. Klingenberg advised that it would not, as the depth of the new well would be drawing from another aquifer. Another concern was future growth to their area.

Public
Hearing

Chief Miller asked about the leasing of vehicles for the Police Department. The Council will have a decision at the next meeting.

Leasing
Vehicles

There being no further business, Commissioner Aurand moved that the meeting be adjourned.
Seconded by John Priller.
