Discuss Temp.  
Liquor License

Donna Mann and Ron Colson spoke on behalf of the Autumn on Parade committee and task force. They have concerns about the Fire Department having a dance the weekend of the festival. It is a family oriented weekend and that image has made the festival successful. In the following years they would like AOP to hold the temporary liquor license the weekend of the festival.

AOP-Temp  
Liquor  
License

Chief Garry Griffin explained to the Council what they had set up for the dance. They would have their own security, the area would be fenced in, and it would be from 8:00 P.M. until 12:00 A.M. When the date was set they did not think about it being AOP weekend.

Parade route

Roll Call: Lauer, Medlar, Stone, Trimble. No Nays.

Commissioner Jim Lauer had the water-sewer employees bring up the jetter that they are currently using. They are in need of a new one. With the storm sewer project this old jetter would not be able to reach the full length of the sewer lines. He would like the Council to approve a lease on a jetter at the next Council meeting. He would also like the Council to approve hiring a City Historian at the next council meeting. He feels that this would be a great time to start a history of Oregon.
