Enclosed is the Plan Commission packet.

Item#2

The business registration form is for an individual that rents a storage unit on Pines Road from Dan & Nancy Roos. He wants to run his business out of it. The property is zoned commercial highway business district.

Item#3

A copy of the special-use permit application that was approved in 1999 for James & Gloria Fallon is attached. Joe Reising wants to be added to the special use permit. Not sure if he plans on changing anything or what for what reason. He will be attending the meeting for questions.

Item#4

Settler's Ridge Subdivision was approved as Plan Unit Development. The one section was supposed to be zoned for condos, but he has someone interested in putting an assisted living center. The condo association was suppose to take care of the detention pond. So I think that is probably going to be one of the questions as to who will maintain it. Wendy Howarter, their Attorney, is going to be at the meeting.
