**Brush Guidelines**

- Brush is branches larger than 1 inch in diameter. (Branches less than 1 inch are considered yard waste).
- Place brush on the terrace by 7:00 a.m. on the pickup day parallel and as close as possible to the curb, but not in the street.
- Brush piles are not to exceed 4 feet in height, 4 feet in depth, and 12 feet in length with 1 foot spacing between piles.
- Do not pile brush under low hanging trees, behind or around utility poles, trees, or other obstructions, or on top of water valves. The city will not be held responsible for damage caused to water lines due to piling brush on top of the water valves!
- Piles considered yard waste or piles not stacked properly will not be picked up by the city.
